## AN ACT CONCERNING REVISIONS TO THE UTILITY STATUTES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. Section 16-18a of the general statutes is amended by
- 2 adding subsection (d) as follows (*Effective from passage*):
- 3 (NEW) (d) For any proceeding before the Federal Energy
- 4 Regulatory Commission, the United States Department of Energy, the
- 5 United States Nuclear Regulatory Commission, the United States
- 6 Securities and Exchange Commission, the Federal Trade Commission,
- 7 the United States Department of Justice or the Federal
- 8 Communications Commission, the department may retain consultants
- 9 to assist its staff in such proceedings by providing expertise in areas in
- 10 which staff expertise does not currently exist or to supplement staff
- 11 expertise. All reasonable and proper expenses of such expert
- 12 consultants shall be borne by the public service companies, certified
- 13 telecommunications providers, electric suppliers or gas registrants
- 14 affected by the decisions of such proceeding and shall be paid at such
- 15 times and in such manner as the department directs, provided such
- 16 expenses (1) shall be apportioned in proportion to the revenues of each
- 17 affected entity as reported to the department pursuant to section 16-49
- 18 for the most recent period, and (2) shall not exceed two hundred fifty
- 19 thousand dollars per proceeding, including any appeals thereof, in any
- 20 calendar year unless the department finds good cause for exceeding

- 21 the limit. The department shall recognize all such expenses as proper
- 22 business expenses of the affected entities for ratemaking purposes
- 23 pursuant to section 16-19e, if applicable.
- Sec. 2. Section 16-35 of the general statutes is amended by adding
- 25 subsection (c) as follows (*Effective from passage*):
- 26 (NEW) (c) Notwithstanding the provisions of the general statutes,
- 27 proceedings in which the Department of Public Utility Control
- 28 conducts a request for proposals or any other procurement process for
- 29 the purpose of acquiring electricity products or services for the benefit
- of ratepayers shall be uncontested.
- 31 Sec. 3. Subsection (c) of section 16-262j of the general statutes is
- 32 repealed and the following is substituted in lieu thereof (Effective from
- 33 passage):
- 34 (c) Each public service company, certified telecommunications
- 35 provider and electric supplier shall pay interest on any security
- 36 deposit it receives from a customer at the average rate paid, as of
- 37 December 30, 1992, on savings deposits by insured commercial banks
- as published in the Federal Reserve Board bulletin and rounded to the
- 39 nearest one-tenth of one percentage point, except in no event shall the
- 40 rate be less than one and one-half per cent. On and after January 1,
- 41 1994, the rate for each calendar year shall be not less than the deposit
- 42 index as defined and determined by the Banking Commissioner in
- 43 subsection (d) of this section, for that year and rounded to the nearest
- one-tenth of one percentage point, except in no event shall the rate be
- 45 less than one and one-half per cent.
- Sec. 4. Subsection (c) of section 16-8a of the general statutes is
- 47 repealed and the following is substituted in lieu thereof (Effective from
- 48 passage):
- 49 (c) (1) Not more than [thirty] <u>ninety</u> business days after receipt of a
- 50 written complaint, in a form prescribed by the department, by an
- 51 employee alleging the employee's employer has retaliated against an

employee in violation of subsection (a) of this section, the department shall make a preliminary finding in accordance with this subsection.

- (2) Not more than five business days after receiving a written complaint, in a form prescribed by the department, the department shall notify the employer by certified mail. Such notification shall include a description of the nature of the charges and the substance of any relevant supporting evidence. The employer may submit a written response and both the employer and the employee may present rebuttal statements in the form of affidavits from witnesses and supporting documents and may meet with the department informally to respond verbally about the nature of the employee's charges. The department shall consider in making its preliminary finding as provided in subdivision (3) of this subsection any such written and verbal responses, including affidavits and supporting documents, received by the department not more than twenty business days after the employer receives such notice. Any such response received after twenty business days shall be considered by the department only upon a showing of good cause and at the discretion of the department. The department shall make its preliminary finding as provided in subdivision (3) of this subsection based on information described in this subdivision, without a public hearing.
- (3) Unless the department finds by clear and convincing evidence that the adverse employment action was taken for a reason unconnected with the employee's report of substantial misfeasance, malfeasance or nonfeasance, there shall be a rebuttable presumption that an employee was retaliated against in violation of subsection (a) of this section if the department finds that: (A) The employee had reported substantial misfeasance, malfeasance or nonfeasance in the management of the public service company, holding company or licensee; (B) the employee was subsequently discharged, suspended, demoted or otherwise penalized by having the employee's status of employment changed by the employee's employer; and (C) the subsequent discharge, suspension, demotion or other penalty followed the employee's report closely in time.

- (4) If such findings are made, the department shall issue an order requiring the employer to immediately return the employee to the employee's previous position of employment or an equivalent position pending the completion of the department's full investigatory proceeding pursuant to subsection (d) of this section.
- 91 Sec. 5. Subdivision (1) of subsection (b) of section 16-262c of the 92 general statutes is repealed and the following is substituted in lieu 93 thereof (*Effective from passage*):
  - (b) (1) From November first to May first, inclusive, no electric or electric distribution company, as defined in section 16-1, as amended by this act, no electric supplier and no municipal utility furnishing electricity shall terminate, deny or refuse to reinstate residential electric service in hardship cases where the customer lacks the financial resources to pay his or her entire account. From November first to May first, inclusive, no gas company and no municipal utility furnishing gas shall terminate or refuse to reinstate residential gas service in hardship cases where the customer uses such gas for heat and lacks the financial resources to pay his or her entire account, except a gas company that, between May second and October thirtyfirst, terminated gas service to a residential customer who uses gas for heat and who, during the previous period of November first to May first, had gas service maintained because of hardship status, may refuse to reinstate the gas service from November first to May first, inclusive, only if the customer has failed to pay, since the preceding November first, the lesser of: (A) Twenty per cent of the outstanding principal balance owed the gas company as of the date of termination, (B) one hundred dollars, or (C) the minimum payments due under the customer's amortization agreement. Notwithstanding any other provision of the general statutes to the contrary, no electric, electric distribution or gas company, no electric supplier and no municipal utility furnishing electricity or gas shall terminate or refuse to reinstate residential electric or gas service where the customer lacks the financial resources to pay his or her entire account and for which customer or a member of the customer's household the termination or failure to

- Sec. 6. Subsection (a) of section 16-19 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
- 124 (a) No public service company may charge rates in excess of those 125 previously approved by the authority or the Department of Public 126 Utility Control except that any rate approved by the Public Utilities 127 Commission or the authority shall be permitted until amended by the 128 authority or the department, that rates not approved by the authority 129 or the department may be charged pursuant to subsection (b) of this 130 section, and that the hearing requirements with respect to adjustment 131 clauses are as set forth in section 16-19b. Each public service company 132 shall file any proposed amendment of its existing rates with the 133 department in such form and in accordance with such reasonable 134 regulations as the department may prescribe. Each electric, electric 135 distribution, gas or telephone company filing a proposed amendment 136 shall also file with the department an estimate of the effects of the 137 amendment, for various levels of consumption, on the household 138 budgets of high and moderate income customers and customers 139 having household incomes not more than one hundred fifty per cent of 140 the federal poverty level. Each electric and electric distribution 141 company shall also file such an estimate for space heating customers. 142 Each water company, except a water company that provides water to 143 its customers less than six consecutive months in a calendar year, filing 144 a proposed amendment, shall also file with the department a plan for 145 promoting water conservation by customers in such form and in accordance with a memorandum of understanding entered into by the 146 147 department pursuant to section 4-67e. Each public service company 148 shall notify each customer who would be affected by the proposed 149 amendment, by mail, at least one week prior to the public hearing 150 thereon but no earlier than four weeks prior to the start of the public 151 hearing, that an amendment has been or will be requested. Such notice 152 shall also indicate (1) the [Department of Public Utility Control] date, 153 time and location of each scheduled public hearing, (2) that customers

may provide comments regarding the proposed rate request by writing to the Department of Public Utility Control or by appearing in person at one of the scheduled public hearings, (3) the department's telephone number for obtaining information concerning the schedule for public hearings on the proposed amendment, and [(2)] (4) whether the proposed amendment would, in the company's best estimate, increase any rate or charge by twenty per cent or more, and, if so, describe in general terms any such rate or charge and the amount of the proposed increase, provided no such company shall be required to provide more than one form of the notice to each class of its customers. In the case of a proposed amendment to the rates of any public service company, the department shall hold a public hearing thereon, except as permitted with respect to interim rate amendments by subsection (d) and subsection (g) of this section, and shall make such investigation of such proposed amendment of rates as is necessary to determine whether such rates conform to the principles and guidelines set forth in section 16-19e, or are unreasonably discriminatory or more or less than just, reasonable and adequate, or that the service furnished by such company is inadequate to or in excess of public necessity and convenience. The department, if in its opinion such action appears necessary or suitable in the public interest may, and, upon written petition or complaint of the state, under direction of the Governor, shall, make the aforesaid investigation of any such proposed amendment which does not involve an alteration in rates. If the department finds any proposed amendment of rates to not conform to the principles and guidelines set forth in section 16-19e, or to be unreasonably discriminatory or more or less than just, reasonable and adequate to enable such company to provide properly for the public convenience, necessity and welfare, or the service to be inadequate or excessive, it shall determine and prescribe, as appropriate, an adequate service to be furnished or just and reasonable maximum rates and charges to be made by such company. In the case of a proposed amendment filed by an electric, electric distribution, gas or telephone company, the department shall also adjust the estimate filed under this subsection of the effects of the amendment on the household budgets

The department shall issue a final decision on each rate filing within one hundred fifty days from the proposed effective date thereof, provided it may, before the end of such period and upon notifying all parties and intervenors to the proceedings, extend the period by thirty days.
- Sec. 7. Subdivision (30) of subsection (a) of section 16-1 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
- 198 (30) "Electric supplier" means any person [, including an electric 199 aggregator] or participating municipal electric utility that is licensed 200 by the Department of Public Utility Control in accordance with section 201 16-245, [that] as amended by this act, and provides electric generation 202 services to end use customers in the state using the transmission or 203 distribution facilities of an electric distribution company, regardless of 204 whether or not such person takes title to such generation services, but 205 does not include: (A) A municipal electric utility established under 206 chapter 101, other than a participating municipal electric utility; (B) a 207 municipal electric energy cooperative established under chapter 101a; 208 (C) an electric cooperative established under chapter 597; (D) any other 209 electric utility owned, leased, maintained, operated, managed or 210 controlled by any unit of local government under any general statute 211 or special act; or (E) an electric distribution company in its provision of 212 electric generation services in accordance with subsection (a) or, prior 213 to January 1, 2004, subsection (c) of section 16-244c.
- Sec. 8. Subdivision (31) of subsection (a) of section 16-1 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
  - (31) "Electric aggregator" means [(A) a person, municipality or regional water authority that] any person, municipality or regional water authority or the Connecticut Resource Recovery Authority, if such entity gathers together electric customers for the purpose of

218

219

- 221 negotiating the purchase of electric generation services from an electric 222 supplier, [or (B) the Connecticut Resources Recovery Authority, if it 223 gathers together electric customers for the purpose of negotiating the 224 purchase of electric generation services from an electric supplier, 225 provided such [person, municipality or authority] entity is not 226 engaged in the purchase or resale of electric generation services, and 227 provided further such customers contract for electric generation 228 services directly with an electric supplier, and may include an electric 229 cooperative established pursuant to chapter 597.
- Sec. 9. Subsection (a) of section 16-1 of the general statutes is amended by adding subdivision (51) as follows (*Effective from passage*):
- 232 (NEW) (51) "Electric broker" means any person, municipality or 233 regional water authority or the Connecticut Resources Recovery 234 Authority, if such entity arranges or acts as an agent, negotiator or 235 intermediary in the sale or purchase of electric generation services 236 between any end-use customer in the state and any electric supplier, 237 but does not take title to any of the generation services sold, provided 238 (A) such entity is not engaged in the purchase and resale of electric 239 generation services, and (B) such customer contracts for electric 240 generation services directly with an electric supplier, and may include 241 an electric cooperative established pursuant to chapter 597.
- Sec. 10. Subsection (l) of section 16-245 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
- 245 (l) (1) An electric aggregator <u>or electric broker</u> shall not be subject to 246 the provisions of subsections (a) to (k), inclusive, of this section.
  - (2) No electric aggregator <u>or electric broker</u> shall <u>arrange or</u> negotiate a contract for the purchase of electric generation services from an electric supplier unless such aggregator <u>or electric broker</u> has **[**(A)**]** obtained a certificate of registration from the Department of Public Utility Control in accordance with this subsection. **[**, or (B) in the case of a municipality, regional water authority and the Connecticut

- (5) As a condition for maintaining a certificate of registration, the registered electric aggregator <u>or electric broker</u> shall ensure that, where applicable, it complies with the National Labor Relations Act and regulations, if applicable, and it complies with the Connecticut Unfair Trade Practices Act and applicable regulations.
  - (6) Any registered electric aggregator <u>or electric broker</u> that fails to comply with a registration condition or violates any provision of this section shall be subject to civil penalties by the Department of Public Utility Control in accordance with the procedures contained in section 16-41, or the suspension or revocation of such registration, or a prohibition on accepting new customers following a hearing that is conducted as a contested case in accordance with the provisions of chapter 54.
- Sec. 11. Section 16-245b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

Notwithstanding the provisions of subsection (a) of section 16-245, the provisions of said section shall not apply to (1) any municipality or regional water authority that aggregates or brokers the sale of electric generation services, or to the Connecticut Resources Recovery Authority if such authority aggregates or brokers the sale of electric generation services, for end use customers located within the boundaries of such municipality or regional water authority, (2) any municipality that joins together with other municipalities to aggregate or broker the sale of electric generation services for end use customers located within the boundaries of such municipalities, or (3) any municipality or regional water authority that aggregates or brokers the purchase of electric generation services for municipal facilities, street lighting, boards of education and other publicly-owned facilities within (A) the municipality for which the municipality is financially responsible, or (B) the municipalities that are within the authorized service area of the regional water authority. Any municipality or

- regional water authority that aggregates <u>or brokers</u> in accordance with this section shall register not less than annually with the Department of Public Utility Control on a form prescribed by the department.
- Sec. 12. Subsection (b) of section 16-245p of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
- 325 (b) The Department of Public Utility Control shall maintain and 326 make available to customers upon request, a list of electric aggregators 327 and electric brokers and the following information about each electric 328 supplier and each electric distribution company providing standard 329 service or back-up electric generation service, pursuant to section 16-330 244c: (1) Rates and charges; (2) applicable terms and conditions of a 331 contract for electric generation services; (3) the percentage of the total 332 electric output derived from each of the categories of energy sources 333 provided in subsection (e) of section 16-244d, the total emission rates 334 of nitrogen oxides, sulfur oxides, carbon dioxide, carbon monoxide, 335 particulates, heavy metals and other wastes the disposal of which is 336 regulated under state or federal law at the facilities operated by or 337 under long-term contract to the electric supplier or providing electric 338 generation services to an electric distribution company providing 339 standard service or back-up electric generation service, pursuant to 340 section 16-244c, and the analysis of the environmental characteristics of 341 each such category of energy source prepared pursuant to subsection 342 (e) of [said] section 16-244d and to the extent such information is 343 unknown, the estimated percentage of the total electric output for 344 which such information is unknown, along with the word "unknown" 345 for that percentage; (4) a record of customer complaints and the 346 disposition of each complaint; and (5) any other information the 347 department determines will assist customers in making informed 348 decisions when choosing an electric supplier. The department shall 349 make available to customers the information filed pursuant to 350 subsection (a) of this section not later than thirty days after its receipt. 351 The department shall put such information in a standard format so 352 that a customer can readily understand and compare the services

- 353 provided by each electric supplier.
- Sec. 13. Subdivision (19) of subsection (a) of section 22a-266 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
- 357 (19) Act as an electric supplier, [or] an electric aggregator or an 358 electric broker pursuant to public act 98-28\* provided any net revenue 359 to the authority from activities, contracts, products or processes 360 undertaken pursuant to this subdivision, after payment of principal 361 and interest on bonds and repayment of any loans or notes of the 362 authority, shall be distributed so as to reduce the costs of other 363 authority services to the users thereof on a pro rata basis proportionate 364 to costs paid by such users. In acting as an electric supplier, [or an] 365 electric aggregator or electric broker pursuant to any license granted 366 by the Department of Public Utility Control, the authority may enter 367 into contracts for the purchase and sale of electricity and electric 368 generation services, provided such contracts are solely for the 369 purposes of ensuring the provision of safe and reliable electric service 370 and protecting the position of the authority with respect to capacity 371 and price.
- Sec. 14. Subsection (c) of section 7-148ee of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):
  - (c) No corporation established pursuant to subsection (a) of this section shall engage in the manufacture, distribution, purchase or sale, or any combination thereof, of electricity, gas or water outside the service area of such municipal electric or gas utility or within its service area if it encroaches upon the service area or franchise area of another water or gas utility. Nothing in this section shall be construed to permit any municipal electric utility to engage in the sale, [or] aggregation or brokering of electric generation services other than pursuant to section 16-245, as amended by this act.
- Sec. 15. Subsection (b) of section 33-219 of the general statutes is

- 458 Sec. 17. Section 16-243u of the general statutes is repealed and the
- 459 following is substituted in lieu thereof (*Effective from passage*):

460 From January 1, 2008, until February 1, 2008, any person may, and 461 an electric distribution company shall, submit a plan to build peaking 462 generation, or the electric distribution companies may submit a joint 463 ownership plan to build peaking generation, to be heard in a contested 464 case proceeding before the Department of Public Utility Control. An 465 electric distribution company's plan shall include its full projected 466 costs and shall demonstrate to the department that it is not supported 467 in any form of cross subsidization by affiliated entities. Any plan 468 approved by the department shall (1) include a requirement that the 469 owner of the peaking generation is compensated at cost of service plus 470 reasonable rate of return as determined by the department, and (2) require that such peaking generation facility is operated at such times 472 and such capacity so as to reduce overall electricity rates for 473 consumers. The department may retain a consultant to help determine 474 if projected costs included in the plan are good faith preliminary 475 estimates and may require modification of the plan as necessary to protect the best interests of ratepayers. Not later than one hundred 477 twenty days after the plan is submitted, the department shall approve 478 the plan unless it demonstrates in detail, pursuant to section 16-19e, 479 that such plan is not in the best interests of ratepayers. The department 480 shall request that any person submitting a plan to submit further information it deems to be in the public interest that the department 482 shall use in evaluating the proposal. Such person shall only recover the 483 just and reasonable costs of construction of the facility and, in an 484 annual retail generation rate [contested] uncontested case, shall be 485 entitled to recover its prudently incurred costs of such project,

including, but not limited to, capital costs, operation and maintenance expenses, depreciation, fuel costs, taxes and other governmental charges and a reasonable rate of return on equity. The department shall review such recovery of costs consistent with the principles set forth in sections 16-19, 16-19b and 16-19e, provided the return on equity associated with such project shall be established in the initial annual [contested] <u>uncontested</u> case proceeding under this subsection and updated at least once every four years. A person operating a peaking generation unit pursuant to this section shall bid the unit into all regional independent system operator markets, including the energy market, capacity market or forward reserve market, using cost-of-service principles and pursuant to guidelines established by the department each year in the annual retail generation rate case pursuant to this section.

This act shall take effect as follows and shall amend the following
